

### The Spitzmiller Showroom

“The Christopher Spitzmiller Showroom at the D & D is a favorite go to resource for me when sourcing for my projects. In addition to their custom capabilities, they always have an amazing selection of readily available in stock pieces in a multitude of finishes, designs and colours. Single lamps and pairs in unique designs that add that incredible handmade bespoke quality to my projects.”

~ Philip Mitchell

Pair of Hand Thrown Large Three Ball Lamps in Alligator Green featured in Philip Mitchell's Drawing Room for the Kips Bay Show House 2018.
