

## Kips Bay Show House 2018

The 46th Annual Kips Bay Decorator Show House exhibits the immense talent of renowned interior design studios. This year's house located at 110 East 76th Street.

The tradition of transforming a luxury Manhattan home into an elegant exhibition of fine furnishings, art and technology began in 1973 when several dedicated supporters of the Kips Bay Boys & Girls Club launched the Kips Bay Decorator Show House to raise critical funds for much needed after school and enrichment programs for New York City children. Over the course of four decades, this project has grown into a must-see event for thousands of design enthusiasts and is renowned for sparking interior design trends throughout the world.

The New York Design Center is proud to support the Kips Bay Boys & Girls Club and celebrate the work of this year's talented group of designers. Click through to view product from 200 Lex throughout this year's Showhouse.
